

Noah's Mill

57.15%

From the folks at Willett distillery, Noah's Mill has less than 20 barrels in a batch and will include 15 year old barrels in the dump. The deep amber color prepares the nose for what promises to be an exciting ride. Aromas of ginger, plums, cinnamon, fresh-baked cornbread, and fresh-squeezed cherries. The warm palate packs caramel, nutmeg, and vanilla with lovely cinnamon on the finish. Sourced whiskey.
