

**Amador Double Barrel Bourbon** 

**43.4%**

Sourced bourbon at 3 to 10 years old was dumped and finished in Napa Valley wine barrels. The nose is mostly bourbon—corn, warm meadow, hard candy—with a floater of wine wood; I'm guessing white wine. The flavor is quite woody, but not old wood; fresher, and a bit astringent, overshadowing the whiskey. Not sure the finish does it a favor. Sourced whiskey.
