

High West Yippee Ki-Yay (Batch #1)

46%

High West Double Rye is transferred into vermouth and Syrah barrels, making for an interesting limited release. Herbs, blackberries, black currant, and black pepper are vibrant, followed by a medicinal hint of mint. The vermouth comes alive, with earthy notes meeting the rye's traditional spices, a welcome back and forth with hints of black fruits. The warm, medium-length finish offers another hint of mint. If you like vermouth, you'll love this.
