

Hochstadter's Vatted Straight Rye Whiskey (Batch 1)

50%

"Vatted" from five 4 to 15 year old straight ryes from Canada, Kentucky, Pennsylvania, and Indiana, in an old-timey bottle. Classic spice-candy-bitter nose leaps out of the glass with 100 proof heat; friendly. Easily drinkable at this proof, well-integrated rye oil and grain sweetness, some cinnamon and dried apple, and the barrel rolls in on the finish. A neatly-wrapped package, and not crazy on the price. Sourced whiskey.
