

**Breakout Rye 8 year old**   
43%

In the pantheon of rye whiskey, Breakout sits at a coveted 8 years old. The nose offers its age with a hint of oak over the delicate, savory herbal aromas that range from dill to oregano. There's a slight vanilla note on the second whiff. The palate offers smoke, coffee, smoked paprika, vanilla wafers, and a hint of chocolate, followed by a medium-length finish, making me wish this was just 10 proof points higher.

Sourced whiskey.
