Barrel Bourbon (Barrel

184), 52.5%

A 70/20/10% mashbill (corn/wheat/malt), aged 32 months. A sweet corn, citrus-tipped nose, not as hot as expected. Hot on the tongue, though, and spreads like fire. Dynamic balance of sweet corn and spicy candy with crimping oak spice and alcohol heat. Finish is like fireworks: a rush to an explosion of sweet, oaky heat in the back of the mouth, with a slow spark rain that sparkles on the tongue. Exciting.
