

**Koval Single Barrel
Bourbon (Barrel 1
250), 47%**

Certified organic, "aged under four years." Oak is forward on the nose—young and fresh-sawn—with sweet spicy hard candies: cinnamon and teaberry. Juicy in the mouth: sweet, springing with that spice-fruit bounce off an oak board. Rye oil hides in the back, then slides forward with the oak to take over the finish. Dynamic. I haven't been a big Koval fan, but we're definitely on the right path here.
