	Bourbon (Barrel 1 250), 47%	
	Certified organic, "aged under four	
	years." Oak is forward on the nose—young and fresh-sawn—with	
	sweet spicy hard candies: cinnamon and teaberry. Juicy in	
	the mouth: sweet, springing with	
	that spice-fruit bounce off an oak board. Rye oil hides in the back,	
	then slides forward with the oak to take over the finish. Dynamic. I	
	haven't been a big Koval fan, but	
	we're definitely on the right path here.
