

Woodinville Straight Bourbon

45%

Good bourbon nose—oak, corn, allspice, a little sweet citrus—but some solvent notes flitting around too. Feisty in the mouth; warming, punchy oak, softer pillow-thumps of corn, and some bitter rye notes.

More rye comes out as it sits.

Finish is long and warm. Good young bourbon; priced like a good older bourbon. Craft still presents some hard choices.

—Vol. 25, #1
