

Rowhouse Spirits Poitin

48%

100% pilsner malt fermented with Belgian ale yeast. Not unaged whiskey; a grain spirit meant to be drunk without aging. Sweet-tart, intense aroma of unripe cherries, plums, white pepper, and a bit of caramel. Smooth on the tongue with a roll of heat, grain comes forward and dominates the fruit, though it balances at the finish. Clean, even interesting. More *poitin* should be like this.
