

Spirit Works Straight 
Wheat

45%

Made from 100% organic red winter wheat, aged 2 years, 1 month. Much lighter on the nose than its rye stablemate (see *above*); notes of butterscotch and green tea, with a bit of oaky strength. Flavors of cracked grain and light stone fruits shimmer across the tongue; the oak stays high in the mouth. Finish is light and long, moving from grain to wood at the end. Interesting and delicate for a 2 year old.
