

**Wyoming Single Barrel  
Bourbon (Barrel #1447)**

**44%**

Nose is mild, pleasant, sweet, with rock candy, cinnamon, and baked apple. Follow-through on the palate is almost exact: mild, pleasant, sweet, with rock candy, etc., plus a nice bit of extra alcohol heat and quiet oak shaping the finish. A mild-mannered bourbon, which I feel is like a mild-mannered rodeo bull; out of place. There's nothing wrong, but it's a bit too easy-drinking, too mild.

Bulk up.
