

Montgomery Early Release Straight Rye

45%

Beautiful little bottle and label.
100% rye, aged 2 years in 53-
gallon heavy char oak barrels.
Smells right: rye spice, orange
candies, and oaky vanilla. Light
body, quite hot, and the sweetness
comes through, but the rye really
turns it up as the liquid spreads on
the tongue and warms. Some
plastic hints high in the mouth.
Promising, but not there yet; part
of the problem with big barrels.
