

J.P. Wiser's Triple Barrel

40%

Drinkers with a refined palate will enjoy the breadth and complexity of this whisky, the session drinker, its velvety smoothness. Barrel notes, from toasted vanilla to caramelized sugar and spicy cloves, give way to pickle-sour rye and bitter citrus pith. Searing peppers and ginger keep it exciting as dark fruits and black cherries fade to lime pith and peel. A long, glowing finish. (*Australia only*) \$43 AUD
