

**Stalk & Barrel Rye
(Cask 49)**

46%

Rye flour, powerful rye spices—hot, sweet, and flavorful—bathed in flaxseed oil.

Fragrant hints of breakfast tea blend with ripe dark fruit, peaches, and rich lilac perfume. Sweet and sour, and quite peppery, with a long finish. Made with nothing but rye grain, yet there is a certain slippery quality more commonly found in corn whisky. This is Still Waters distillery at its best.
