**10 year, 1992 Vintage, 46%**

Very fragrant and perfumed on the nose. Chewy and syrupy on the palate, with layers of sweetness (toffee, caramel, fudge), roasted almonds, and raisins. A drying, resinous spice finish saves the sweetness from being too dominant. Call me sentimental, but I just remembered the old Campbell Distillers 10 year old bottling which expressed so much more finesse, and was cleaner and not as heavy and cluttered.
