

That Boutique-y Whisky Co (distilled at Overeem) Batch 1

47.5%

Fresh, clean aromas of key limes, the waxy leaves of tropical greenhouse foliage, and creamed coconut encased in chocolate. Plenty of acidity and exotic spices at play. There's a bouquet of citrus and botanical notes to sip. Smooth with a big slug of warmth: white peach, nectarine, melon, ground almond, sliced lemon, with spicy undertones. The finish is complex with plum skin, cooked gooseberry, tangerine oils, and tingle of sherbet. A little beauty, though the outturn seems woefully meager. (50 bottles) £150
