

Wolfburn Single Malt 

46%

The first release from Wolfburn distillery is 3 years old. Matured in a mix of Spanish and American oak quarter casks previously used by an Islay distillery. The nose is soft and belies its youth, offering vanilla, lemon, ginger, and light smoke. The early palate is grassy. Sweeter fruit notes soon develop with more vanilla and ginger, plus white pepper. The finish is quite long and slightly smoky. Much to look forward to as this ages!

—Vol. 25, #2
