

## 1792 Single Barrel

49.3%

Ripe fruit (peach, apricot, golden raisin) on the front of the palate, followed by layered sweet notes of caramel, butterscotch, and toffee, finishing with oak, dried vanilla, and a hint of cinnamon. Great mouthfeel. Each barrel is unique in flavor profile. There's no barrel number identified on the label, so the one you buy may vary slightly.

Having said this, the barrel I reviewed was very enjoyable.
