

Crown Royal Cornerstone Blend

40.3%

Inspired by Crown Royal Monarch, Crown Royal is introducing a new line of equally remarkable whiskies called the Noble Collection. This "Cornerstone Blend" begins the series. Rye-grain whisky, fresh-cut lumber, and new oak. Sweet, with a broad spiciness, rich heady nose, floral overtones, and fruity esters.

Vague milk chocolate, tropical fruit, and ripe bananas soften the peppery spices. Powerful yet elegant. Complex and tightly synthesized into a single, well balanced whole.
