

**WhistlePig 15 year old  
Vermont Estate Oak  
Straight Rye Whisky**

**46%**

WhistlePig does nothing by half measures. They had massive oak trees culled from their Vermont property, coopered into heavily-charred barrels, then used them to finish batches of already mature 100% rye. Layer on layer of soft vanilla, old lumber, cinnamon, fresh orange peels, baking spice, dark fruits, and medicinal hints of resin. Peppery hot and oakily sweet. A slight dustiness and a big juicy butterscotch kiss.
