

## Two Brewers Yukon Single Malt Release 1

**46%**

Assorted mashes and barrels ensure each batch of Two Brewers malt whisky is unique. When mature, about 7 years later, these are blended into multi-layered whiskies. Sweet, crisp nose, then Cheerios, dry grain, and fresh malt. Vague herbal tones balance hints of ripe fruit. Bright palate with gingery peppers sprinkled on fall fruit—soft apples, plums, peaches. Lush body, then a slight woody, tannic pull. (*Canada only*)
