

**Glynnevan Double
Barrelled Canadian Rye
(Batch 2005.001)**

43%

Distilled in western Canada, then shipped to Guysborough, Nova Scotia, Glynnevan is re-barreled for a final seaside stint. It's authentic Seacoast Distilling Company-brewed beer prior to distilling into whisky. Brisk, spicy nose, with oak caramels, beeswax, hints of celery, and layers of green fruit. Luscious spicy palate loaded with citrus notes, vanilla beans, and pleasing bitter pith. Earthy, alongside wet slate and sweet spices. (*Canada only*) C\$45
