

**Caldera Hurricane 5
(Batch 0001)**

40%

Caldera Distilling of River John, Nova Scotia sits across Northumberland Strait from Green Gables, Prince Edward Island. Its namesake whisky is made in a tiny alembic still from grain grown right on the distillery property, then blended with rye whisky from Alberta. Fruity, with oak caramels, burnt firewood, herbal tones, and glowing peppery spices. Mild vanilla, citrus pith, buttery fudge, and a long warming glow in the chest. *(Canada only)* C\$34

—Vol. 25, #2
