

Wieser Wiesky Sherry 
Wood 7 year old

40%

A quadruple-distilled whisky in a glass-stoppered bottle, the sherry influence has left its mark on the nose with ripe Victoria plums, glacé cherry, ripening strawberries, icing sugar, and mixed peel. Too bad the flavors are profoundly bitter and minty, producing an expression on this reviewer's face like a flinching child reluctantly ingesting an unwelcome spoonful of medicine.

More palatable and fruity as it dilutes, some spearmint returns on the finish, but it was game over by

then.
