

**Tomatin Cù Bòcan 1988**  
**Limited Edition**

**51.5%**

Tomatin released this 28 year old expression under its Cù Bòcan label. This cask strength variant was matured in refill hogsheads and refill sherry butts that previously contained heavily-peated Islay single malt. The nose is sweet and fruity, with apples and pears, background vanilla, and sweet, light smoke. The palate is voluptuous and sherry-sweet, with chili peppers and subtle, earthy peat smoke. The finish is slowly drying, with persistent spice, nuts, and smoke. (2,200 bottles) £200

—Vol. 25, #3
