

Glenmorangie Tarlogan

43%

Tarlogan is the third and most recent release in Glenmorangie's Legends Collection. Some of the component whisky had been matured in virgin oak casks, while the remainder was aged in bourbon barrels. A hint of freshly-dug soil on the very early nose, then toffee apples, malt, and vanilla kick in. The smooth palate focuses on coconut and more vanilla, with kumquat and lime. Almonds and vanilla in the mildly spicy finish. (*Travel Retail exclusive*)
