

Glenglassaugh Octaves Classic

44%

Glenglassaugh distillery launched both unpeated and peated expressions matured in octave casks, approximately one-eighth the capacity of a butt. They have not been subjected to chill-filtration. The nose of this unpeated Classic is sweet, with ripe apples, peaches, toffee, and buttery spice. Smooth on the palate, with more peaches and now intense spiciness, followed by vanilla, aniseed, licorice, new oak, and mild cloves in the long, slightly citric finish. £55
