

Deanston 18 year old

46.3%

This 18 year old was matured in refill hogsheads before a period of finishing in first-fill bourbon casks. It is non-chill filtered. The nose is light and fruity with pears, melon, and mild vanilla, plus caramel and a hint of toffee. Rich and full on the textured palate, with big orchard fruits, honey, buttery spice notes, then emerging aniseed. Dries in the finish, with plain chocolate and slightly tannic oak notes, plus a sprinkling of chili heat.

—Vol. 25, #3
