

Jura 16 year old Diurachs' Own

43%

Diurachs are the inhabitants of the Isle of Jura, and this single malt named in their honor is initially matured in bourbon casks before 2 years of finishing in *amoroso* sherry casks. Floral and honeyed on the nose, with caramel, pine, and spicy dark chocolate. Sweet and oily on the palate, where the chocolate changes from plain to milk, with vanilla and delicate cloves. Darkening chocolate and drying oak in the finish.

—Vol. 25, #3
