

Bulleit Barrel Strength

59.7%

High rye is evident, with rounded baking spices up front, leather, muted caramel, vanilla, and a hint of tobacco. This ABV beast coasts with the warmth and richness of crème brûlée, toffee, cinnamon rock candy, fruit, and nutmeg. Oh wait, there's more. Smoke kicks in toward the end with marshmallow undertones and more cinnamon, finishing strong with lasting spice. This is a cask strength sipper or a lovely bourbon on the rocks.
