

Trail's End

45%

An 8 year old Kentucky straight bourbon finished in Oregon oak that apparently brings about vanilla cake batter, caramel, hints of coffee, and citrus. Soft and delicate to the taste, with exploding French toast notes, cinnamon, allspice, and a hint of blueberry jam. The finish comes and goes, but leaves an impressive watermelon Jolly Rancher-cinnamon combo at the end. This one is meant to be sipped without the addition of water or ice. Sourced whiskey.
