

**High West American
Prairie Bourbon (Batch
#16B16)**

46%

A blend of straight bourbons. Light straw color. An expressive dark cherry, cooked grains, and wood nose opens up to a bevy of custard, roasted pine nuts, and herbs, with hints of tobacco and smoked hazelnuts. A grain-forward approach leaves it slightly unbalanced, until roasted nuts save the day with a tinge of vanilla and caramel-flavored popcorn.

Sourced whiskey.
