

**Michter's Limited  
Edition Barrel Strength  
Rye**

**55.9%**

Think of sitting on the front porch swing, legs up, a good song playing, and this smooth barrel strength rye. It's an easy sipper, from the allspice and old-style licorice to the cadre of caramel and vanilla expressions that intertwine custard and German chocolate cake. You don't expect sweetness, but it's here, and lasting. If it has a weakness, it loses its intensity about mid-palate, but rebounds with a healthy medium-length finish.
