

**Cascadia Rye (Bottle
No. 97)**

43.45%

Chocolate, honey, vanilla, cotton candy, smoke from barbecue coals, and a big whiff of brown sugar cooking in butter. Then oak shows, softening to vanilla and an explosion of cinnamon, nutmeg, and allspice. You're thinking this is a nice mid-range rye, but a short finish really disappoints. Its finish is saved by a nice hint of dill.

Sourced whiskey.
