

**Boondocks 11 year old American Whiskey**

**47.5%**

Light straw color, but its rich aroma contradicts its youthful color. Marshmallow and cotton candy really come out strong, quickly followed by decadent bakery aromas. Fresh-baked muffins, heavy whipping cream, and vanilla icing, with hints of caramelized barley and nutmeg.

Its weaknesses are a slightly adhesive mouthfeel and short finish, but the pronounced flavors still make it a borderline sipper or a just-add-water whiskey. Sourced whiskey.
