

**Union Horse Distilling  
Reunion Straight Rye  
(Batch 2)**

**46.5%**

Made with 100% rye aged up to 5 years, this starts off surprisingly fruit-forward, with poached pear and zesty, clove-pierced citrus, though the wood is beginning to dominate. The palate fires up the rye spice, underscored by cocoa, turning hot with some adhesive notes and finishing with fresh cereal grain and bitter oak tannins.

A wood lover's whiskey.
