

**Palm Ridge Rye
Whiskey**

50%

Starts off quite confectionary, with sweet top notes of vanilla, crème caramel, and violets. The palate flaunts its brash youth, showing lots of primary, new make whiskey character, while carrying its 100 proof surprisingly well for such a young whiskey (aged less than 1 year), as the cereal grain, cinnamon spice, generous sweetness, and charcoal power through the palate. Young, potent, and unapologetic.
