

**Stalk & Barrel Red
Label Blend**

43%

Raising the bar a little higher, Still Waters is introducing Red Label, a blend that is rich in 100% rye, all-corn, and single malt whiskies. The undisclosed base whisky is sourced, the rest made in-house. Luscious with sweet esters, lilacs, white clover blossoms, oak sugars, vanilla, and a brace of warming spices. Round, mouth-filling, and creamy on the palate, and after a second, pleasing rye spices emerge. Hints of barrel notes with glowing pepper and citrus pith.
