

Willie's Genuine

40%

Willie Blazer imports 100% rye whisky from Alberta, then brings it to bottling strength at his Ennis, Montana distillery with water from the nearby Madison River.

Canadian whisky figured large in the history of the West and Willie's is a local bestseller. Caramel and rye spices on the nose, toast and plum jam, sweet yet bracing spices, a long, lovely glow deep in your chest. A simple sipper or a monster mixer with cloves, fruitcake, white pepper, and gentle pithiness.
