

Tullamore D.E.W. 15 year old Trilogy

40%

Here they take a triple distilled blend of pot still, malt, and grain whiskey matured in bourbon and *oloroso* sherry and finish it in golden rum casks (a favorite finishing vessel at Wm. Grant). A soft, relaxing sweetness emits from the glass, showing barley sugars, lemon bonbon, vanilla, and freshly-planed oak. The *oloroso* has been used sparingly, but rounds off the lemon, light fudge, and hazelnut flavors. There's a spicy last stand that burns brightly. A terrific composition.
