

Moon Harbour PIER 1 
45.8%

Named for the Port de la Lune, of course, the crescent arc of the Garonne flowing through Bordeaux. The company expects to start single malt production in 2017 in their new distillery, but meanwhile enjoy this Sauternes cask finish with its white grape, light honey, floral, and peach aromas. Flavor delivery is all up front; peach syrup and soft toffees, with some burnt spices on the finish. A character of its own, certainly not an imitator.
