

Whisky Castle Vintage (Cask 485)

43%

Ruedi Käser has made Whisky Castle one of the best-known Swiss whiskies, and he actively experiments with different grains and cask types. This single-cask expression was produced from corn and 20% peated malt. Herbal notes, fruit jelly on toast, dry oak, cinnamon, warm toasty spices, and a little smoke. A nice silky texture; red fruits, apple, plum, ground ginger, and peppercorn. Pleasant sweetness to begin, then a growing bitterness decaying to a dry and spicy finish. CHF89

—Vol. 25, #3
