

## House of Hazelwood 25 year old

40%

Toasty granola, rye crackers, barley sugar sweetness, and Murray Mints make for a balanced nose on this top-of-the-range blend representing the art deco elegance of 1920s Shanghai. A gloriously thick texture of rich citrus blossoms bolstered by toffee, lime, pineapple, tropical fruits, and vanilla sugar. Mr. Kinsman has engineered methodical and well-paced complexity here, with emergent little lights of spiciness. A long-lasting, deep orange buzz and dimming spice round off proceedings. A precious joy indeed. £115 Travel Retail exclusive
