year old**

**40%**

The style and class of the youngest was inspired by the classic elegance of Paris in the 1920s. Comprising Kininvie and Girvan married in tuns of Portuguese oak, this is pure, creamy goodness bathing in lemon meringue pie, vanilla tablet, and fresh oak shavings. A buttery-soft texture, the back of the palate kicks off with honey explosions, nougat, and toffee, backed with a distinct oakiness to remind you that it's got much more to offer than just vanilla playfulness. £50
