

## Limeburners Sherry

### Cask 61%

Brace yourself: the marauding alcohol vapors will slap you across the chops within inches of the glass. The finishing vessel, a small sherry cask, exudes sweet red fruits; Fragola Fabbri candied strawberries, stewed apples, and brandy characteristics. Diving in neat, become immersed in a sweeping intensity of fruity plum, crabapple, and fig. Taming with water unlocks flavors of honey, caramel, green fruits, and vanilla, though it retains that plum leitmotif throughout. Finish of black pepper on stewed fruits.
