

Stalk & Barrel Blue Label Blend

40%

This mingling of Still Waters' own mature corn, rye, and malt whiskies with undisclosed, sourced base whisky is sweeter and punchier than the Stalk & Barrel White Label blend it replaces.

Clear malt notes, soft caramels, apple juice, and mild sweet flowers on the nose. The palate shows oak caramels, vanilla, and some mild white pepper. Becomes very zesty in the mouth, with a long, peppery, pulling finish. A pleasing but fairly simple whisky, more for mixing than sipping. C\$33
