

Kilkerran 12 year old 
46%

After six 'Work in Progress' releases, Kilkerran from Glengyle Distillery has finally come of age with this core expression. It comprises 70% whisky from first-fill bourbon casks and 30% from sherry casks. Floral on the nose, with honey and a hint of brine, then peaty fruit notes develop. The palate is confident and oily, slightly earthy, with tinned peaches, black pepper, cinnamon, smoke, and a suggestion of medicine chests. The finish is relatively long, with pepper, licorice, and drying oak.

—Vol. 25, #4
