

Ardbeg Twenty One

46%

Distilled at a time when the future of the distillery looked bleak. It is non-chill filtered and mildly herbal on the nose, with soft peat, muted iodine, and a sprinkling of pepper, plus warm leather. The palate is initially peppery, then vanilla and green apples emerge, along with aniseed and rich peat. Peppery to the end, with a hint of iodine and coal smoke.

—Vol. 25, #4
