

Tomatin Oloroso Sherry 

1995
46%

This rested in bourbon barrels for almost 18 years until May 2013 when it was transferred to *oloroso* sherry hogsheads for a prolonged period of finishing. Big, waxy, warm leather notes on the nose, then dried fruit and machine oil.

The palate is smooth, with cinnamon, cloves, sherry-soaked raisins, and dates. Spicy leather, plain chocolate, and slightly tannic oak in the very lengthy finish
